

5% Back to Schools Program Frequently Asked Questions

PROGRAM INFORMATION

Q: How does the 5% Back to Schools Program work?

A: Every time schools, teachers, students, parents and school supporters give a school's 5% Back to Schools Program ID number when buying school and office supplies at Office Depot, that school will receive credits equal to 5% of the qualifying purchases to use for free supplies. Credits are issued in the form of a merchandise certificate. A school must have a minimum of \$10 in credits for a merchandise certificate to be issued.

Q: How long does this program run?

A: This program runs all year long. You can credit your school every time you make a purchase. Office Depot tallies the credits for schools quarterly:

January 1 - March 31

April 1 - June 30

July 1 - September 30

October 1 - December 31

Q: Can I credit my school when making a purchase at the store, online and over the phone?

A: Yes. You can provide your school's ID number when making a purchase in any U.S. (excluding Puerto Rico), by placing an order with customer service at 1-800-GO-DEPOT, or by placing an order at officedepot.com.

Q: Are there specific items that qualify for this program?

A: Yes. Generally, basic school and office supplies are qualifying purchases. For example notebook paper, pens/pencils, note pads, binders and much more. Products that do not qualify are all technology and consumer electronic products and accessories, media and software that is not education or reference related; all furniture items and furniture accessories; all ink and toner cartridges; Gift Cards; purchases from Copy & Print Depot™; postage stamps; and purchases made to contract business accounts.

Q: Can I get a list of the specific items that qualify?

A: A list of the qualifying product categories is available online at officedepot.com/5percent.

PROGRAM PARTICIPATION

Q: How can I find my school's ID number?

A: Your local Office Depot store can look up school ID numbers at each register. Office Depot customer service agents at 1-800-GO-DEPOT also have the ability to search the 5% Back to Schools Program database for school ID numbers.

Q: What do I do if my school is not on the store's ID list?

A: If the school is not found in the 5% Back to Schools Program database, the store associate can request to have it added and assigned a number.

Q: My school has an ID number. Do they have to re-enroll at some point or will this number stay the same?

A: Once the school has an ID number assigned to them, it will remain the same. The school does not have to re-enroll for this program.

Q: How does a school participate in the program?

A: The school should communicate their 5% BTS Program ID number to parents, teachers, and school supporters. Teachers, students, parents and school supporters should give their school's 5% Back to Schools Program ID number every time they make a purchase at Office Depot.

Q: Does Office Depot have a flyer or any promotional materials that we can use to promote this program to our parents?

A: Yes, visit www.officedepot.com/5percent to download a customizable flyer to promote your school's ID number.

Q: What schools are eligible to participate in the program?

A: Public and private schools, pre-K through 12th grade.

Q: Can my school, which is part of a contract account, receive credit through this program?

A: Yes, qualifying purchases made in store, by phone at 1-800-GO-DEPOT, or online at www.officedepot.com will count; however, purchases made to contract business accounts do not qualify.

Q: Can the purchases my school makes qualify for the program?

A: Yes. However, purchases made to contract business accounts do not qualify.

Q: Can I give my Worklife Rewards® or Star Teacher Member number and credit my school at the same time?

A: Yes. You do not have to choose between earning your Rewards and crediting your school. You can participate in both programs. Provide your Member card and your school's ID number.

Q: Can I link my Office Depot account, Worklife Rewards® / Star Teacher membership or my credit card to my school ID number?

A: No. You must give your school ID number each time a purchase is made.

Q: Can I add a past purchase to credit my school?

A: Past purchases can be submitted to credit a school as long as they were purchased within the current quarter. (Example: A purchase made on July 1st must be entered no later than September 30th.) To credit a past purchase to a school, follow the below instructions:
