Dear Future Shamrock Families,

Blessed Sacrament Catholic School opened its doors in August 1963 serving students in grades one to four. Fifty-four years later we now proudly serve approximately two hundred students in grades VPK -Grade 8. We are blessed to have two priests that belong to the Rosminian order. As a school community, we strive for academic excellence and spiritual growth.

The faculty and staff at Blessed Sacrament are dedicated to educate the mind, body and spirit of each and every child. We provide a safe and loving learning environment.

We offer a variety of programs during our school day that include on-level and advanced placement courses, STEM, enrichment, and student support. We have many after school programs for all ages that include Happy Feet soccer, chess club, Mad Science, baking, drama club, choir, band, JV and varsity sports, and cheerleading.

I thank you for considering Catholic education for your child. Please call our school office and schedule a tour at your convenience.

We are currently accepting applications for the 2017-2018 school year. Please visit our school website to click on the link for registration and select 2017-2018. We look forward to partnering with you

Blessings,

Mrs. Becky Clark

Principal
