

Dear Mrs. Reed and Mrs. Snyder's "Catapult Kids":

Welcome to 5th grade! We are so excited to team up and "catapult" you into a new year! Attached you will find your required assignments for Math and Reading/ELA for the summer. Remember to complete all of your work and turn it in during the first week of our 2017-2018 school year. All students who complete their work will be rewarded on the Friday of the first week of school. We will be having a slide, but this year, we have a fun surprise – WATER SLIDE!!!

Mrs. Snyder and I are very excited to be "catapulting" you back and forth between us as we have so much to teach you! Some of the exciting things you will be learning about in fifth grade are:

- Enterprise Village
- Sacraments
- American History
- STEM classes
- Adding, Subtracting, Multiplying and Dividing Fractions and Decimals
- Ecosystems
- Reading Counts

One of the special advantages of catapulting up to Mrs. Reed is you will have access to the Chromebooks in the classroom. You also help keep our school safe by monitoring safety patrol!

We hope you have a great summer with your family and friends. Enjoy your time, spend some time on summer work, and be ready to "catapult" into a new year of learning with two very excited teachers. We are looking forward to teaching each and every one of you.

Enjoy your summer and God bless you!

Mrs. Reed and Mrs. Snyder

Blessed Sacrament Catholic School
