

Dear Mrs. Snyder and Mrs. Reed's "Catapult Kids":

Welcome to 4th grade! We are so excited to team up and "catapult" you into a new year! Attached you will find your required assignments for Math and Reading/ELA for the summer. Remember to complete all of your work and turn it in during the first week of our 2017-2018 school year. All students who complete their work will be rewarded on the Friday of the first week of school. We will be having a slide, but this year, we have a fun surprise – WATER SLIDE!!!

Mrs. Reed and I are very excited to be "catapulting" you back and forth between us as we have so much to teach you! Some of the exciting things you will be learning about in fourth grade are:

- Florida History (including our trip to St. Augustine)
- Long multiplication and division
- Fractions, decimals, and percentages
- Rocks and minerals
- Phases of the moon
- Literature Circles with some fun novels
- Ten Commandments

One of the special advantages of catapulting up to Mrs. Reed is you will have access to the Chromebooks!

We hope you have a great summer with your family and friends. Enjoy your time, spend some time on summer work, and be ready to "catapult" into a new year of learning with two very excited teachers. We are looking forward to teaching each and every one of you.

Enjoy your summer and God bless you!

Mrs. Snyder and Mrs. Reed

Blessed Sacrament Catholic School
