

Dear Families,

Welcome to Blessed Sacrament Catholic School's Voluntary Pre-Kindergarten program (VPK). Our VPK program is now beginning its sixth year. I am very happy that you have chosen our school to begin your child's education. We are going to have so much fun this year! We will be sharing many books, poems and songs.

Our program sets a strong educational foundation for your child. We will have fun pre-writing, playing some excellent math games and learning about the world around us through science and social studies. Our program also uses the Starfall curriculum and VPK standards that have been approved by the Department of Education. These standards guide our themes throughout the year.

Over the summer remember to read with your child daily. Practice identifying their name, recognizing shapes and patterns, etc. This will instill in your child a love of learning. I am looking forward to getting to know your family and watching your child grow socially and academically over the school year. My email address is mstewart@bscschool.com. If you have any questions or concerns please contact me.

Thank You,
Mrs. Stewart
